

It is my intense desire that students should be able to say these things when they are learning with me: "I am ready for whatever the world throws at me- today or tomorrow."

HOW EPOCHE WILL HELP?

It will impart a **competitive edge** by combining both Revisions + Writing practice wonderfully. It is intended to give you sharpening skills to your preparation and **extract maximum output in minimum possible time.**

Such programs become more important in the light of **fast changing trend of exam.** Of late, nature of questions has substantially changed especially in last 2-4 years.

Now questions, though, still simple but they **demand high conceptual clarity** .Focus is on **"Why &How?"** but **not on simply "What?"** e.g.

1. **Why Descartes establishes Cogito?**
 - Students simply write what is cogito& just elaborate his method of doubt
2. **Why Vaishesika accepts Abhava as category?**
 - You write what is abhava , its types, etc. Again candidates miss the main demand of question i.e "WHY"
3. **"Spinoza overemphasis on oneness at the cost of manyness" Examine**
4. **Does Kant ends in epistemological skepticism?**
5. **What is the logical necessity for Locke to introduce the concept of secondary qualities? Give reasons for your answers. (2016)**
6. **A well-ordered society, according to Rawls, is effectively regulated by a public conception of justice. Do you agree? Give reasons. (2016)**

Enhance your skill with "EPOCHE" - a good mix of concept & content.

- Epoche consists of 8 unit wise tests and 4 composite tests, each 3 hrs duration strictly based on UPSC pattern.
- Each will be followed by discussion and personal feedback.
- Fee : Rs.13500/-
